70. Notification of 2020/21 Precept on Billing Authority

The Committee considered the briefing paper prepared by the Clerk. It was noted that whilst the level of reserves appeared high, they were appropriate given the earmarked reserve requirement for the planned youth hub development, and to ensure the requisite level of general reserves/contingency.

The Clerk had not yet drafted the budget for 2020/21. It was noted that there was currently no long-term budget for the Town Council, which was Clerk planned to introduce.

The Committee considered that there should be no inflationary increase applied, as the level of precept would automatically increase as further housing was built at Lyde Green.

It was **Resolved** that the precept for 2020/21 should remain at the same level as for 2019/20 and that this would be take to the Full Council meeting for ratification on 9 January 2020.
